## AMERI-FAB STAIRS — A STEP ABOVE

Ameri-Fab manufactures a variety of stairs and step units to fit any application. Our exclusive Easy Knockdown™ steps make setup, breakdown, shipping and storage a breeze. All-steel construction makes our stairs safe and durable even under the harshest conditions.

### WE HAVE THE DESIGN FOR YOUR PROJECT

Ameri-Fab stairs and step units are fabricated in a variety of styles and configurations including apartment/condo exposed two-story stair unit with pre-cast concrete step treads, temporary construction-style stairs, inclement weather steps, residential fold-down step units, ADA, IBC, UBC code compliant semi-permanent step units and much more. We can also design and build custom stairs and step units to fit most applications.

### STAIR AND STEP UNIT FEATURES

All stairs and step units manufactured by Ameri-Fab feature the following:

- **Quality all-steel construction, superior durability**
- **Stairs and step units available for temporary or permanent use**
